Dear Barinder and all of our friends with the India Association of New Hampshire:

Thank you for your gift of time and of bringing all the ingredients and supplies to cook and serve a meal on Saturday, May 22, 2004 at the Nashua Soup Kitchen and Shelter. Those who use our services to help them to get by appreciate your thoughtfulness.

At the Nashua Soup Kitchen and Shelter, we provide services that help each individual or family who walks through our door. Our kitchen serves more than hot meals. It is a place for socialization for people who may not have heard a kind word during their day. The food pantry and fresh foods program supplies food to those who can't stretch their budget far enough to buy the groceries they need. Our staff includes a social worker, employment & education advocate, housing program director and Hispanic liaison to help those looking for information or a new direction.

Every donation you give benefits someone we serve. We depend on people like you to continue the work that we do.

Sincerely,

Lisa Christie  
Executive Director
