Dear Prithvi:

Thank you for your donation of donations of materials and labor to refurbish the second floor transitional apartment on Chestnut Street, brought in on September 30, 2006, to the Nashua Soup Kitchen and Shelter. We are grateful for people such as you who care about those in need.

We are thrilled to let you know we have received the Champion in Action Award for HUNGER from Citizens Bank/WMUR. It is because of your help that we were able to serve 44,000 meals last year, distribute 29,000 diapers and provide almost 12,000 nights of emergency shelter to homeless individuals and families. These are only a few of the ways we help those in need in our community.

As we celebrate our 25th anniversary this year we thank you for your support. We are here to help only because of a caring community. Look for us on Channel 9 and in all the branches of Citizens Bank in New Hampshire.

Enjoy the coming holidays and remember those families "living on the edge" who need our help. On behalf of each of them, thank you.

Sincerely,

Lisa Christie
Executive Director
