Dear India Association of NH:

Thank you very much for your generous donation of the \$769.00 steam table on Thursday, March 13, 2008 to the Nashua Soup Kitchen and Shelter. We are very grateful for your support.

When I see the lines of families waiting for food bags outside the soup kitchen on a cold day or talk to a mom with kids who has to come to the shelter for the first time, I am very glad we are here to help. We never know how much our assistance can mean to someone.

This winter a college age woman came in the other day and asked for Eileen. She told Eileen she wanted to volunteer here while she was on break. When she told Eileen her name, it sounded familiar and Eileen asked who her mother was. Eileen told the young woman she remembered her coming here for food many years ago. This 18 year old was 4 years old when her mom needed to come to the soup kitchen. She was a single mom with two small children. Eileen remembered the mom as very smart and very hard-working. When Eileen asked the woman where she was in college, she told Eileen she is at Cornell and majoring in economics.

There are many individuals and families in our community who rely on us for help. Each and every one of our diners has a story to tell about what brought them here to the soup kitchen for dinner. We are here to listen to their stories, provide a meal and offer emergency shelter if they are homeless....because of your generous support. Thank you.

Sincerely,

Lisa Christie
Executive Director
