

## **Haiti Earthquake Relief Fund Organized by IANH (India Association of New Hampshire)**

In the wake of the recent Earthquake disaster in Haiti, India Association of New Hampshire (IANH) has formed a Haiti Relief fund to help the earthquake victims and rebuild their lives.

IANH urges all its members and all the Indian Americans to step up on this occasion and extend their helping hands for the needy in Haiti. The disaster is huge and it will need global and continuous efforts to accomplish the rebuilding of people's lives in Haiti. The initial response from around the world has been great, however, this momentum needs to be maintained, as rebuilding lives takes several months and years.

IANH will match 25% of the total contribution collected up to a maximum of \$1000.

The Donations will be tax deductible and a receipt will be sent for each donation. Suggested amounts are \$10, \$20, \$50, \$100 or whatever you wish. The Donation can be made in favor of IANH- Haiti Relief Fund and can be mailed to
