Greetings!

I am pleased to announce the conclusion of all 2008 NH Education Bee contests. Six contests were held on three different days using two locations. This year also marked a record turnout for NH contests. I thank you for registering your children in NH. I express my sincere thanks to over fifty volunteers who covered as many as one hundred and thirty assignments. The children of our community are the ultimate winners.

Best regards,

Prithvi Kumar, President IANH
